Intern Publication Policy

AK-PIC interns are encouraged to pursue academic and research related activities as an important aspect of professional development throughout their internship and career. AK-PIC faculty are to be informed of any research activities that interns are participating in during the intern year. It is expected interns will not identify themselves as representing AK-PIC on published works unless this has been approved by the AK-PIC faculty.

Reviewed/revised and approved by AK-PIC Faculty on 9/28/2015
