Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program’s policies on intern selection and practicum and academic preparation requirements:

AK-PIC Training Sites

The consortium includes the following sites: Alaska Psychiatric Institute; Aleutian Pribilof Islands Association; Providence Family Medicine Center/Alaska Family Medicine Residency; and Norton Sound Health Corporation. Each site is described below.

The Consortium offers one-year, full-time internship placements that begin and end around July of each year. The Consortium is comprised of treatment centers throughout Alaska and will provide a range of clinical and didactic experiences that represents the necessary depth and breadth required for future professional practice with Alaska’s diverse communities. Interns will have a primary placement at one site and will complete Alaska Specific Experiential Activities (AK-SEA) at other sites within the consortium. Across training sites, interns will complete a minimum of 500 hours per internship year of face-to-face direct service delivery.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	<u>No</u>	Yes
Total Direct Contact Assessment Hours	<u>No</u>	Yes

Describe any other required minimum criteria used to screen applicants: NA

Note on Preference: AK-PIC will base its selection process on the entire application package; however, strong preference is given to applicants who have met the following qualifications prior to beginning internship:

1. A minimum of 500 intervention hours;
2. A minimum of 50 assessment hours;
3. A minimum of 7 integrated assessment reports;
4. Dissertation proposal defense scheduled to occur prior to the beginning of internship;
5. Experience or special interest in working with diverse populations;
6. Current enrollment and good standing in an APA-accredited doctoral program.
