

## DIDACTIC ATTENDANCE AND DELIVERY POLICY

Attendance at the weekly didactic seminars and other scheduled group training activities is mandatory for all interns in the Alaska Psychology Internship Consortium and is required for successful completion of the internship. Attendance at these scheduled activities should take priority over other site obligations each week. Site supervisors are aware of these activities and their requirements for interns. The didactic seminar will be in-person or via videoconference.

A schedule for the didactic seminars will be distributed at the beginning of each year and is updated throughout the year. Revisions will be provided on a periodic basis throughout the year. Attendance at each seminar meeting is tracked by the AK-PIC consortium. No unexcused absences are allowed. Absences must be discussed and approved by the primary supervisor prior to the didactic. It is the responsibility of the intern to inform the AK-PIC faculty and intern cohort of a future absence from didactics. Pre-approved intern vacation and alternative training opportunities are considered excused absences. Interns must inform all faculty of the excused absence at least one week prior to didactics. Interns who miss a meeting of the didactic seminar because of a serious emergency or for a serious illness should alert the AK-PIC faculty as soon as possible. If a pattern of didactic absences emerges, the site supervisor will address the intern and bring it to the AK-PIC Training Committee for resolution. Didactic absences will be reviewed at quarterly meetings.
